Grand Prize

\$100 cash and your name permanently etched on the WWC Traveling Trophy for history sake. (WWC Chapter members only on this one.)

2nd Place

Something really cool. Open to all players.

3rd Place

Something a little less cool. Open to all players.

Last Place (worst hand)

Something really stupid. Open to all players.

Players will need to place their \$10.00 cash bet with the bookie at Hessel Launch Ramp anytime between 9:30 am and 10:00 am the day of the event. There, you will receive your player number, map and instructions. You may register before you launch, or if you arrive in your boat, we ask that you simply drop off a representative of your team to register, then re-board your boat as quickly as possible making dock space available for other players to do the same. By spreading out the start time, this also makes the hunt a bit more challenging!

The game this year is five card draw. Threes are wild. For those of you not familiar with poker, rules will be included with your registration information. There will be five stops you will have to find using the maps to receive all five cards. You should allow approximately an hour and a half in order to find all the dealer locations. Turn in your hand and player number to the bookie upon arrival at the picnic site.
